

Dear Susan,

Thank you for your recent gift to the March of Dimes. Your timing couldn't be better!

Your gift will go twice as far and have double the impact because of the matching gift offer from our Board of Trustees. With the help of donors like you, teams of brilliant researchers can continue to search for the causes and preventions for premature birth.

This great work would not happen without you. Thank you again for playing an important role in helping moms and babies.
